Dear LLNCS user,

The files in this directory belong to the LaTeX2e package for
Lecture Notes in Computer Science (LNCS) of Springer-Verlag.

It consists of the following files:

```
readme.txt          this file

history.txt         the version history of the package

llncs.cls           the LaTeX2e document class

samplepaper.tex     a sample paper
fig1.eps            a figure used in the sample paper

llncsdoc.pdf        the documentation of the class (PDF version)

splncs04.bst        current LNCS BibTeX style with alphabetic sorting
```
